

Station Square – Moselle Square

Moselle Square could be a new landscaped high-quality public space, which will be the community heart of the future High Road West. It will be place full of activities and events, and a destination for residents and visitors. It will become the new welcoming gateway into north Tottenham.

1 White Hart Lane Station and forecourt: A safe and welcoming gateway to North Tottenham

The new design should improve capacity and safety, providing a new entrance and station forecourt that leads to Moselle Square. The station will be designed to cater efficiently for a large number of visitors on match days.

2 The Community Hub: a focal point for the community on the square

This large modern building should provide a range of facilities and resources for the community, including a new library, learning and enterprise centre, community activity and meeting space, and cafés. The new Community Hub should be in an easily accessible location crossing both the square and the High Road.

3 Outdoor community and public events space: designated area for community events.

A large amphitheatre directly outside the new Community Hub, where community activities and events can take place throughout the year.

The square will also include a space for public events, which could include having an outdoor ice rink in the winter, viewing large sporting events and pop-up activities.

4 New cafés, bars and restaurants

A mix of new cafés, bars and restaurants could surround the square, which would have external seating areas to create a welcoming and relaxing place.

5 Leisure uses

New leisure facilities such as a cinema and community sports hall could be located in the square, in addition to the new Tottenham Hotspur stadium development.

6 Paved walkway from White Hart Lane Station to the High Road

A paved pedestrian boulevard could provide a direct link from the station to the High Road. On match and event days this boulevard would accommodate a large number of visitors.

Crossing the square and the High Road
