

What you have told us you want in the future and how the plan has responded

We've singled out some of the most important issues many people raised in consultations, workshops and meetings during the last few years.

Here's how the masterplan suggests changes to address your key concerns:

1. Better-quality housing and more housing choice

YOU SAID

You want better-quality housing and more choice. You also want all homes to have open space and access to facilities – particularly for children – and think that homes should not be built in high-rise towers.

WE DID

The masterplan provides 1,200 new homes. There will be a mix of housing types (including houses, flats and maisonettes) and tenures to meet people's housing requirements at all stages in their lives, in particular for families. This will create a mixed and balanced community. All homes will have access to private open space – such as gardens, balconies or shared courtyards.

There are a limited number of taller buildings and these will not be for families or affordable housing.

2. A safer and more attractive place to live and work

YOU SAID

You want a safe and attractive environment to live and work in, as many of you do not currently feel safe in the area, especially at night.

WE DID

The masterplan sets out how new open spaces and a network of streets could ensure that it is easy and safe to walk or cycle through High Road West. There will be better lighting, CCTV and streets that are designed with safety in mind.

A new outdoor performance space and cafés, bars and restaurants mean there could be much more activity in the area, with pedestrian routes feeling safer and more secure.

3. More leisure facilities and activities for young people

YOU SAID

You want more leisure facilities and activities for young people.

WE DID

The masterplan proposes a new sports centre with facilities for young people and children, built in a lively new public open space. A new Community Hub will include a library and learning centre, with plenty of opportunities for young people to find out more about how to find work or set up their own business.

4. New community facilities

YOU SAID

You said that you want more and better-quality community facilities, such as new health services.

WE DID

The new Community Hub will put new facilities at the heart of High Road West, with a new library, learning and education centre and space for residents to hold events.

There will also be a brand new, modern health centre and community crèche, with a focus on providing better healthcare for people living in High Road West.

5. An improved High Road with a wider retail offer

YOU SAID

You want to see a thriving High Road with a broader range of shops, particularly independent traders. Many people complained about the amount of betting shops and takeaway outlets, and said there should be more cafés and restaurants.

WE DID

The masterplan sets out how Tottenham High Road should be the place where local people are able to do their weekly shopping, with a better range of businesses and new space for entrepreneurs to start their own firms.

Improvements to shop fronts and how the High Road looks and feels will make it more welcoming to shoppers, with a range of new retail units in the White Hart Lane railway arches, providing space for new businesses and existing traders to expand into.

6. More job and training opportunities for local people

YOU SAID

There is a need for more job and training opportunities for local people, and more needs to be done to attract new businesses to the area.

WE DID

The masterplan sets out how High Road West could become a new leisure and sports destination for north London, attracting new businesses around Moselle Square and a revamped White Hart Lane Station in particular. There will be new workspaces behind the shops on the High Road, which will allow existing businesses to expand and provide space for new start-up businesses. There will also be improvements to some existing workspaces.

6. More job and training opportunities for local people

YOU SAID

It is clear that you want more better-quality public spaces, with plenty of green open space for use by the community, with safe play areas for children.

WE DID

The masterplan sets out how the amount of public space could be doubled – with the large Moselle Square and Peacock Gardens park creating a new community heart where families can spend quality time and have fun.

Open space could be what the new High Road West is known for, with relaxing areas outside the revamped White Hart Lane Station and along the road.
