

The vision of the future High Road West

We've used all of your feedback to create a vision of what High Road West could be like if the masterplan is approved.

High Road West could be a fun, green and safe place to live and work, with a range of modern, high-quality homes that meet the needs of residents and offers more choice to get on the housing ladder.

Families and young people will have first-class facilities to use, with ample green space, plenty of places to relax and spend time, and an interesting mix of shops and businesses that allow residents to do their shopping while providing long-lasting job opportunities for local people.

What will change?

- A new landscaped open space at Moselle Square, with a new library, learning and enterprise centre, open outdoor events space and new cafes, bars and restaurants
- A brand new park, Peacock Park, at the heart of a new residential neighbourhood to the north of the High Road, with children's play space, a free-to-use outdoor gym, as well as green quiet space to enjoy
- 1,200 new high-quality homes, including houses and flats for every secure council tenant on the Love Lane Estate
- A safer, more accessible White Hart Lane Station, with improved train services and a modern entrance to the south, onto a new station forecourt
- An improved High Road with better pedestrian space, as well as a wider mix of shops and businesses to meet all your weekly shop needs locally
- Space for start-up businesses to grow, with modern purpose-built units, more help to get on the jobs ladder and support for entrepreneurs
- To create this vision, the High Road West Masterplan sets out a number of principles. These have been summarised and grouped into six themes and are detailed on the next pages.

Three of the new areas created by the vision and masterplan principles can be seen on the next boards
