

A STRONG AND HEALTHY COMMUNITY

- Teenage pregnancy rates have halved since 2009.
- In December 2014, DCLG Transformation Challenge Award, awarded £1million of funding to North Tottenham to put residents at the heart of regeneration.
- In January 2015, Well London started working with residents in North Tottenham to improve health outcomes and well being in the Northumberland Park and Love Lane communities.
- Northumberland Park community hub opened in January 2015 giving residents additional access to health services and well being activities.
- Mindfulness training sessions run for North Tottenham residents to develop skills in “present-centeredness”.
- 400 pupils from nine primary schools took part in the SportInspired Games Festival as part of the council’s commitment to helping to create a healthier Haringey in May 2015.
