

## North Tottenham First Home Moves

- The first new homes in the High Road West area have been delivered by Newlon Housing Trust on the Old Cannon Rubber Factory site. 29 tenants from the Love Lane Estate have now moved into their new homes
- Love Lane tenants do not have to move until a new home is built for them within the High Road West area
- Three dedicated rehousing officers are working closely with residents too understand their rehousing aspirations and support them through the rehousing process
- Love Lane residents and the council are working together to explore the design of their replacement homes as part of the resident design panel. To help inform their decisions residents have visited three regeneration schemes in London
