

North Tottenham High Road West Masterplan

- Haringey Council's Cabinet approved the High Road West masterplan in December 2014. The masterplan proposes the regeneration of the Love Lane housing estate and land north of White Hart Lane including Peacock Industrial estate
- The High Road West Masterplan sets out how 1,200 new high quality homes, community and leisure facilities and space for new businesses will be delivered
- All secure council tenants living on the Love Lane Estate will be offered a new, modern home at a social rent in the High Road West area and all resident leaseholders will be offered the opportunity to purchase an affordable home in the High Road West area
- The masterplan sets out how public space could be doubled with a large new community park and public square – with space for community events and activities

Timeline for Regeneration

Next steps – in order to deliver the area regeneration plans will be going to Cabinet in Autumn 2015

Timeline:

- 2015 Subject to Cabinet approval the next steps will be to agree the best way to deliver the High Road West regeneration scheme
- 2016 Secure a development partner
- 2017 Develop a planning application which will have detailed designs for the new homes
- 2018 Start building new homes
- 2019 Onwards the new High Road West neighbourhood, and more new homes, start being built

Potential new public open space in High Road West
