

North Tottenham Investing in People – People Programme

The People Programme is about engaging residents, stakeholders and services to ensure the conditions for people who live in Tottenham will improve to the point where they enjoy the same social and economic conditions as the best in London. The programme is focussed on the Northumberland Park Ward – one of the areas of highest need in Tottenham.

SportInspired Games

The People Programme in Action

DCLG Transformation Challenge Award

- In December 2014, DCLG Transformation Challenge Award, awarded £1million of funding to North Tottenham to put residents at the heart of regeneration. The funding from the Award will help residents to tackle some of the immediate day-to-day problems they face while long-term plans for new homes and community facilities take shape

Well London

- In January 2015, Well London, a community based health and wellbeing initiative, started working with residents in North Tottenham to improve health outcomes in the Northumberland Park and Love Lane communities. Well London is supported by community project leads BUBIC and Living Under One Sun

Place Champions

- The Princes Foundation are working with a group of residents and other stakeholders in the Northumberland Park area to help them understand community planning, empower them to engage with key decision makers and prepare some tentative suggestions for how the community might & should engage on regeneration in Northumberland Park

SportInspired Games

- 400 Pupils from nine primary schools took part in the SportInspired Games Festival as part of the council's commitment to helping to create a healthier Haringey in May 2015. In partnership with social enterprise SportInspired and with volunteers from the Lloyds Banking Group, coaches from Haringey's community sports clubs gave children a taste of everything from boxing and basketball to tennis and rugby

Students graduating for the Tottenham University

Tottenham University

- Tottenham University is a new project that aims to raise the educational ambitions and aspirations of young people in Tottenham. Working with Oxford University, 22 children from St Francis de Sales and St Pauls and All Hallows CofE schools were taken to visit Oxford University, the House of Commons and a West End play and set a number of challenges to complete in their own time. Their graduation ceremony took place at Tottenham Town Hall in early July

Northumberland Park Community Hub

- The Northumberland Park community hub opened in January 2015 giving residents additional access to health services and well being activities

New Outdoor Gym

- Community engagement activities are currently underway with residents for a free-to-use outdoor gym at Rothbury Walk with equipment suitable for all ages and all fitness levels
