

## Working with you to improve Northumberland Park

### Consultation Questionnaire for drop-in events

The Tottenham Strategic Regeneration Framework identifies seven key priorities for Tottenham. Please put a tick next to the three priorities you think are most important for improving Northumberland Park:

- 1) **World-class education and training** - including new schools, better access to apprenticeships and more Tottenham young people attending university
- 2) **Improved access to jobs and business opportunities** - attracting major investment and encouraging local business growth to boost employment
- 3) **A different kind of housing market** - improving existing homes and building new, high-quality homes to meet demand at a range of prices and tenures
- 4) **A fully connected community with even better transport links** – continuing to improve rail, Tube and bus links, including making the case for Crossrail 2, as well as opening up Tottenham to more walking and cycling routes
- 5) **A strong and healthy community** – improved healthcare facilities, reduced crime and strong social networks for young people
- 6) **Great places** – putting Tottenham’s character and heritage centre-stage while creating better public spaces to meet, shop and have fun
- 7) **The right investment and high quality development** – building partnerships and securing money to achieve these priorities with a focus on high quality design
